IN ATTENDANCE:

Paul Kressock (President)**	Rochelle Collette (Finance)
Lauren Read (Sports & Clubs)	Andrea Fraser (Communications)
Jaime Hoopes (LSS Services)	Wes Berger (Upper-Year Representative)
Aletha Utley (Grad Co-Chair)	Natasha Rana (Grad Co-Chair)
Rosalyn Chan (1L)	Kaitlin Coward (1L)
Brock Bellrichard (1L)	Mina Kim (1L)
Michael Alty (Ombudsperson)	

Semi-Formal

- Rosalyn – looked into venues
 - V Lounge – \$11,000 minimum spend – works out to about \$20/person
 - Dockside – capacity 300 – no rental fee, but \$15,000 minimum spend – works out to ~\$33/person
 - Natasha doesn't think Dockside will work, as it's more like a restaurant
 - Aquarium – 3/4 top floor (350 people) for \$3500, \$6210 minimum spend – comes out to \$15.70/person – full top floor (400 people), \$12,500 -- too expensive -- main building (900 people)
 - Andrea has moral objection – dolphins kept in concrete bathtubs
 - Rocky Mountaineer Train Station – 12,000 people – but space is a T-shape so you could cut part of it off – \$6700 rental, no minimum spend b/c not a restaurant, would leave \$1700 additional cost + \$1000 DJ
- Brock suggested Fortune, but doesn't have details – Rosalyn will call to get specs
- Rocky Mountaineer -- setup? they have tables, we'd need a bar
- combine with med school?
- **motion to table both venue choice & decision to combine with med school**
- **passed**

Friday Social Themes

- November 8 – Lawson Lundell – will probably be held at Koerners Pub
- ideas for the theme? // activities?
- karaoke // beer pong (with and without alcohol) // flip-cup // Rock Band // clothespin baby shower game // costumes (too close to Halloween)
- we have a month to come up a suggestion – Lawson Lundell seems fine with whatever we come up with
- **motion to table discussion – passed**

Friday Social – Sponsorship “Packages” ---> see attachment at bottom

- Wes put together a package plans – 3 levels available for firms who want to sponsor Friday Socials -- more money equals better product, not more quantity (essentially)
- aprox 600 drinks per event -- 400 beers, 200 for wine (5oz pour) or coolers
- Wes – at events with wine, the need for coolers will go way down
- (1) – \$1500 (2) – \$1650 (3) – \$1800 ----> these prices are not set
 - Rochelle proposing that prices be raised – ensure we’re not in a deficit scenario
- ideal if firms choose package (2)
- AMS now provides a discounted security service -- this may lower our costs
- **motion to pass the package format at these levels --> \$1500 / \$1750 / \$2000**
 - **passed**
- Thanks to Wes!!!

Social Council Potluck

- 7:00pm – October 17th at Andrea’s house

Grad Updates

- Law Wear crash & burned at the last minute
- unofficial T-Shirts – “Run DMC” will be subbed in at this time -- toques, tanks, tees, zip hoodies
- photography studio doing official grad portraits has offered to do a holiday photo for the social council (because the studio only has a capacity of 15 people)

Sponsorship of Clubs

- if clubs buy alcohol through the Marc Anthony group who is our alcohol sponsor, do they keep the 15% discount or does the LSS
- Wes offered to take on the task of working with the clubs to facilitate the exchange of receipts
- the issue is that the “discount” is actually physical drinks -- so how do we keep track of this?
- Wes – we have this discount, should be open to the clubs to take advantage
- WES – will be the Beer Baron – will work out the process with Lauren and then email to teams, CC’ing the SC
