

TERM 2 LSS SOCIAL COUNCIL MEETING 1: January 13, 2021

→ Not likely to be any more social council events – low committal/less LSS things for term 2 because of 2L recruit and rules employers must follow for interactions w students to avoid rule breaking; employers networking with 1Ls through ALBS and engaged with 2Ls through OCI recruit.

→ Shooting to do 1-2 Allard inter-student body events – have to be on zoom

- Pick 1 and hype it up a lot?
- 2 less of a big deal possibly
- Not a lot of money but have a very little bit to help out; cannot do things like Uber Eats or anything like that
- 1L schedule: one class w written assignment = transnat which has an April due date
- Want to plan around 1Ls since 2L turnout not likely to be big

→ Potential mentorship series for 1Ls – feeling like they don't have people to talk to

- Job mentors – need help here
- Inter-student body thing in feb – before in-firms – could be distinct from mentorship session if we wanted
 - 1Ls in favour of this timeline after reading break
 - 2Ls resting after OCIs which works well

→ Focus energy on this even for this term 3rd week of feb?

- March bad because of exams/2L in-firms
- Icebreaker bingo cards – some about OCIs/hire, some about fun/friendly topics
- Signing up in groups OR alone
 - Friends making things less awkward BUT also signing up alone helps you meet people
 - Sign up issues: don't want people to be stuck along 4:1 with a group of friends – maybe people signing up in small groups and then combining those so you get to know new people
 - Thinking of how to structure questions and whether we want to use \$\$\$ for anything
 - i.e. first 20 people getting starbucks cards or something
 - Maybe a raffle for a larger prize/a couple larger prizes
 - Incentivizing different years specifically perhaps
- Want to give a couple weeks' notice of event, one weeks' notice for questions submissions

School starts again on 22nd → 26th is the Friday

- OCIs still fairly far after that
- Feb 26th seems most reasonable: around 4PM-5PMish
