2 Open Business			
Wellness Exercise	Community building through finding (and offering!) a shoulder to lean on		
ILSA Fee	There were no updates from Vaughn. Ryan inquired into the lower limit of the amount of fees requested. The current request amount would double the current ILSA budget.  James raised questions about how that would impact other Club budgets. Kai raised a concern about the popularity of increasing fees in general given the current climate. Suggested a lower initial amount to begin with and increase it yearly.  Ad-hoc budget review committee to be constituted soon (there will be 1 or 2 1Ls on the Committee because they will be affected).	Vaughn to bring back current numbers to ILSA to have ILSA reconsider, including addressing what would be realistic to pass in a referendum + the potential for a gradual increase in fees.	
Regulation Adoption	BE IT RESOLVED THAT the LSS Executive adopts the internal regulations entitled "LSS Wellness Committee Regulations".  LSS Wellness Committee Regulat		Moved: Kai Second: Ashley Unanimous adoption
